

Authorization to collect race documents

SUZUKI World Triathlon Hamburg presented by HAMBURG WASSER

Race documents can only be collected upon presentation of the registration confirmation. If you are unable to collect your race documents in person, you may authorize another person to collect your documents on your behalf. In this case, please complete the **authorization below**. In addition to this authorization, the authorized person must present **your original registration confirmation**, a **copy of your identity card / passport** and **their identity card** at accreditation. All **liability waivers** must be **signed electronically**. Please note that the documents will only be handed over if the original authorization is presented to us at accreditation.
