

Welcome to the **SUZUKI World Triathlon Hamburg** presented by **HAMBURG WASSER**

On the weekend of 11. & 12. September 2027, the SUZUKI World Triathlon Championship Finals 2027 presented by HAMBURG WASSER welcomes you to its 25th anniversary, featuring a sprint distance on Saturday and a standard distance on Sunday. Swimming in the Alster, cycling along the Elbe and past the Fish Market, running along the Alster and an emotional finish on Rathausmarkt are just some of the highlights that await you.

Important: The Age-Group World Championships will take place separately on Thursday and Friday, 9. & 10. September 2027. All information on qualification, registration and the race information can be found here: <https://www.triathlondeutschland.de/wettkampfsport/altersklassen-athletinnen/ak-nationalmannschaft/nominierungsprozess>. Transfers between the Open Races and the World Championships are no longer possible after registration. However, participation in both competitions is possible.

General

Status: August 2026 / Subject to change; ongoing updates may be made.

Event date

11. and 12. September 2027

Distances & routes

	Swimming	Cycling	Running
Sprint distance	0.5 km	20 km	5 km
Relay sprint distance	0.5 km	20 km	5 km
Standard distance	1.5 km	40 km	10 km
Relay standard distance	1.5 km	40 km	10 km

The latest course maps will be available on our website in due course at: <https://hamburgtriathlon.com/>

Start times / Time limits

Sprint distance	Saturday, 11 Sep / morning	Water start
Standard distance	Sunday, 12 Sep / morning	Water start

Details about your start will be provided no later than in the Athlete Guide or on our website. The race starts in the water with approximately 150 other athletes from your start wave.

The following time limits apply to the individual disciplines. Participants starting in an earlier start wave will have correspondingly more time.

	Swimming + cycling	Swimming + cycling + running
Sprint distance	1:40	2:15
Standard distance	2:30	3:30

Schedule

We will publish a detailed schedule on the website well in advance. A few weeks before the event, the latest schedule will also be published in the Athlete Guide. The following schedule is subject to change.

Thursday, 9. September 2027			
11:00	19:00	Distribution of race packets	Jungfernstieg
Friday, 10. September 2027			
11:00	19:00	Distribution of race packets	Jungfernstieg
12:00	20:00	Triathlon Expo	Jungfernstieg
Saturday, 11. September 2027			
Morning		Check-in transition area	Alstertor
Morning		Start sprint distance	Jungfernstieg
10:00	18:00	Distribution of race documents (standard distance only)	Jungfernstieg
9:00	20:00	Triathlon Expo	Jungfernstieg
Sunday, 12. September 2027			
Morning		Check-in transition area	Alstertor
Morning		Start standard distance	Jungfernstieg
9:00	18:00	Triathlon Expo	Jungfernstieg

Competition information

All race information will be published on our website <https://hamburgtriathlon.com> in good time before the event. Until then, our Athlete Service team will be happy to answer your questions at athletenservice.hamburg@triathlond-events.de.

Travel

Travel to and from our sporting events generates large amounts of CO2 emissions. By choosing how you travel, you can make an important contribution towards a more sustainable event. Travelling by train produces approximately 80% fewer greenhouse-gas emissions per kilometre than travelling by car. Therefore, where possible, travelling by train is the most environmentally friendly option.

Hamburg Central Station is approximately 10 minutes by bike from race pack collection at Jungfernstieg. Alternatively, Jungfernstieg can also be reached by S-Bahn and U-Bahn.

Entry fees

Entry Fees

	PRICE LEVEL I	PRICE LEVEL II	PRICE LEVEL III
Sprint  0,5 km - 20 km - 5 km	Participants 1 - 500 95,- €	Participants 501 - 1300 110,- €	Participants ab 1301 115,- €
Standard  1,5 km - 40 km - 10 km	Participants 1 - 500 105,- €	Participants 501 - 1300 120,- €	Participants ab 1301 135,- €

Photo-Service

Premium-Package

- » During online registration, you can book your preferred start wave for a fee of EUR 10.00. The exact start waves and start times will be announced a few weeks before the race.
- » You can also check out your bicycle one to two hours before regular check-out. A processing fee of EUR 10.00 applies.
- » You can add a personalised medal engraving with your split times at the preferential price of EUR 12.00. For EUR 15.00, you can add an individual engraving of up to 20 characters in addition to the standard engraving. Both engravings can also be ordered at short notice on site for EUR 15.00 and EUR 18.00 respectively.
- » Would you like to book all three options and gain an additional benefit? No problem. With the Premium Package, you secure your preferred start wave, Early Check-Out and the standard medal engraving. On top of that, you can have your medal placed around your neck by your loved ones at the finish line so that you can celebrate your great achievement together. The Premium Package is available for EUR 40.00.
- » During registration, you can also order the following products from the Zoot Finisher Collection until 25 July 2027. When ordering, please select both gender/fit and size. The designs will be published shortly.
 - Finisher Run Shirt: EUR 39.95
 - Finisher Hoodie: EUR 89.95
 - Finisher Run Singlet: EUR 34.95

The Hamburg Finisher Collection can be ordered as part of online registration until 25 July 2027. The pre-ordered items will then be produced. Products can also be purchased without pre-ordering from the Zoot stand at the Expo, but there is no guarantee that the desired fit or size will still be available.

Note: Items pre-ordered and purchased online must be collected at the Zoot stand at the Expo during the event weekend. There is NO advance shipping!

- » For our special anniversary, we have put together an exclusive 25 Years of Hamburg Triathlon collection for you. Look forward to performance socks (EUR 14.95), a cap (EUR 24.95) and a high-quality cotton shirt (EUR 26.95), all in an exclusive anniversary design. The shirt design will remain a surprise for now and will be revealed at a later date.
- » Sportograf offers a discount on your photo package as part of online registration: secure all your personal highlights now with the Sportograf Photo Flat for World Triathlon Hamburg. Relive your moments again and again, full of emotion, action and goosebumps. Advance-sale price: only EUR 29.99 for the standard distance or EUR 24.99 for the sprint distance.

Not yet sure what you want to book when you register and want to decide later? No problem. You can add all additional services at a later date via a link in your registration confirmation. Please note: Zoot merchandise can only be booked until 25 July; preferred start waves can only be booked until the end of registration phase 1 on 1 August 2027. All other additional services can be booked until the online registration deadline on 1 September 2027.

Day license or DTU Startpass

Participation in the standard distance requires either a valid annual race licence (DTU Startpass) or a day licence. A day licence can be purchased for EUR 20.00 during online registration. If a participant does not have a valid annual race licence on the day of the event, the day licence must be purchased on site. Individual sprint-distance starters and relay participants in both distances do not require an annual race licence or a day licence. The valid annual race licence and a photo ID must be presented in person when collecting the race pack.

Registration

Registration opens on 10 September 2026 and is exclusively online. Registrations by email will not be accepted. By registering, you confirm that you have read and accepted the General Terms and Conditions for Participants.

Registration phase 1, including the option to select an individual start wave, ends on 1 August 2027, six weeks before the event. Late registration during phase 2 is possible online until 1 September 2027 and, from 9 September 2027, at on-site accreditation, provided places are still available. From registration phase 2 onwards, individual start-wave selection and a joint start with your team are no longer possible.

The online registration deadline is Wednesday, 1 September 2027 at 23:59, or earlier if the participant limit for the respective distance is reached.

The entry fee will be debited from the participant's bank account as a one-off direct debit. Participants from abroad can pay by credit card. If the rental chip is lost or not returned on the day of the event, a fee of EUR 65.00 will be charged to the account after the race. Any costs incurred by the organiser due to a returned direct debit caused by insufficient funds must be reimbursed by the participant. Any bank charges are payable by the participant. Chargebacks may result in additional costs for the participant.

Entitlement to a race entry only becomes valid once payment has been received. Start lists can be viewed online from approximately three months before the race.

By registering, every athlete accepts the Competition Rules of the German Triathlon Union (DTU) at <https://www.triathlonddeutschland.de> and the terms and conditions of the organiser and host at <https://hamburgtriathlon.com>.

The organiser reserves the right to reject registrations or impose a ban on starting for reasons it considers important. In addition, the competition jury may disqualify athletes at any time for violations of the applicable rules.

Declaration of consent for minors

Online registrations by minors are not permitted. Minors may only be registered for events for which they are eligible by their legal representatives or by persons authorised by their legal representatives, such as coaches or clubs. A signed declaration of consent from the legal representative must be sent to the organiser no later than the day before the event, either by post or as a scan by email to athletenservice.hamburg@triathlond-events.de. The form is available to download from our website at <https://hamburgtriathlon.com>.

Cancellation/late registrations

No entry fee will be refunded in the event of non-participation.

The following options are available for cancelling or changing a race entry:

1. Withdrawal: If you withdraw by 12 July 2027, a voucher will be issued for the full amount paid, less a processing fee of EUR 20.00. The voucher can be used for all subsequent events in the TriathlonD event series (<https://www.triathlonD-events.de>) until the end of the following year. To do so, email athletenservice.hamburg@triathlond-events.de.
2. Participant transfer: For a processing fee of EUR 20.00, the entry can be transferred to another athlete until the online registration deadline on Wednesday, 1 September 2027. The amendment link in the registration confirmation can be used for this purpose. If the participant transfer takes place after registration phase 1, the race number will not be reprinted.
3. Distance change: For a processing fee of EUR 20.00, a change of distance is possible until the online registration deadline on Wednesday, 1 September 2027 via the link in the registration confirmation, provided places are still available for the relevant distance. When switching to a longer distance, the difference to the current entry-fee tier must be paid. No refund of the difference will be made when switching to a shorter distance. A change between a relay competition and an individual competition is not possible.

Late registrations are possible during race pack collection opening hours, but no later than the day before the respective race, for an additional late-registration fee of EUR 10.00 on top of the applicable entry fee, provided the maximum number of participants has not yet been reached.

Changes to registration details

The data entered during registration can be changed via the link in the registration confirmation until the registration deadline. For the Finisher Collection, the size can be changed until 25 July. After the registration deadline, changes can still be requested during accreditation.

Eligibility criteria / age limit

All races are open to age-group athletes provided there are no health concerns.

- » Sprint distance: eligible from year of birth 2011.
- » Sprint relay: swimming from year of birth 2013; cycling and running from year of birth 2015.
- » Standard distance: eligible from year of birth 2009.
- » Standard-distance relay: swimming and running from year of birth 2013; cycling from year of birth 2012.
- » Equipment is generally subject to the provisions of the DTU Competition Rules.

Competition requirements

Swimming:

- » The swimming event takes place in the Alster and is conducted as an open water event.
- » The temperature tables of the DTU Sports Regulations apply. A decision on whether neoprene swimsuits may be worn will be made by the responsible competition director one hour before the start of each event on the day of the competition.
- » The swimming caps issued by the organizer must be worn at all times.
- » The organizer is entitled to stop the swimming discipline for an athlete in individual cases if it becomes apparent that the athlete is unable to complete the course or is putting themselves in danger.

Cycling:

- » All bicycles that comply with DTU regulations are permitted.
- » The ban on drafting applies to all competitions in accordance with the DTU sports regulations.
- » The race number must be worn on the back when cycling.
- » Ensure that the front and rear brakes are in good working order.
- » Helmets are mandatory.
- » The German Road Traffic Regulations (StVO) apply throughout the entire cycling course.
- » Instructions from the police and security personnel must be followed.
- » The organizer is entitled to stop the athlete from cycling in individual cases if it becomes apparent that the route cannot be completed or the specified time limits cannot be met.
- » The exact bike course will be available in due course at <https://hamburgtriathlon.com>.

Running:

- » It is prohibited to be accompanied and/or assisted on the running course.
- » The race number must be worn on the front during the run.
- » Wearing upper body clothing is mandatory.
- » The organizer is entitled to stop an athlete from running in individual cases if it is apparent that they will not be able to complete the course or meet the specified time limits.
- » The exact route of the run course will be available on the website.

Age group classifications and rankings

Age groups are determined by the age an athlete reaches during the relevant calendar year. Competition and classification groups for the sprint and standard distances are defined in accordance with the DTU Competition Rules. Athletes who selected the gender "diverse" during registration will be assigned to the male classification in accordance with the Competition Rules.

Age group	Age
Age group 16	16-17
Age group 18	18-19
Age group 20	20-24
Age group 25	25-29
Age group 30	30-34
Age group 35	35-39
Age group 40	40-44
Age group 45	45-49
Age group 50	50-54
Age group 55	55-59
Age group 60	60-64
Age group 65	65-69
Age group 70	70-74
Age group 75	75 - 79
Age group 80	80-84
Age group 85	85-89

In addition, there are the following classifications:

- » Team classification (minimum three, maximum 50 participants)
- » Corporate classification: SUZUKI Corporate Cup (minimum three participants)
- » Three open relay classifications: women, men and mixed
- » The SUZUKI Corporate Cup is also held and classified as a relay
- » Hamburg Corporate Sports Championships over the sprint and standard distances

Team classification / Joint start with friends

Participants wishing to be included with their team in a separate team classification must compete over the same distance. A team can consist, for example, of family members, friends, recreational teams, communities or other informal groups. Please note that the team does not necessarily have to be the club for which you compete. Your club is requested separately during registration. The team captain who creates the team during registration must inform the other team members of the team name so that they can join it. Other team members can find and select the team from a drop-down menu during registration. A team consists of at least three and no more than 50 participants.

Teams with fewer or more participants will not appear in the team classification. All participants also appear in the individual classification. The top three participants from a team count towards the team classification. We will try to allocate teams so that their participants start together in the same start wave. Larger groups may be divided among several consecutive start waves.

ATTENTION: If individual team members have booked a preferred start wave, this will take priority over the team's joint start when start waves are allocated!

For registrations made during the late-registration phase, including registrations made via a participant transfer, a joint start with the team cannot be guaranteed.

Firmencup presented by SUZUKI

All companies participating in our corporate classification should refer to the separate race information for the SUZUKI Corporate Cup at <https://hamburgtriathlon.com/>. To be recognised as a corporate team, all team members must have an employment contract with the registering employer. A corporate team consists of at least three participants per distance. A company may register any number of participants. The corporate team classification is based on the finishing order. [Further information](#) is available on the website and in the separate race information.

Relays

At least two participants must compete in a relay. Young people under the age of 18 are not allowed to complete two individual disciplines in succession.

Para triathlon classification

After successfully offering a para triathlon classification for the standard distance, we are pleased to extend this offering to the sprint distance in 2027. In doing so, we want to give even more athletes with disabilities the opportunity to take part in our triathlon and compete under fair race conditions. Classification is carried out in accordance with the applicable DTU Competition Rules.

Hamburg Company Sports Championships

The Hamburg Corporate Sports Championships will be held over the sprint and standard distances for the third time. The three fastest women and three fastest men over each distance will be ranked.

All members of a company sports association (Betriebssportgemeinschaft, BSG) are eligible to participate. A list of all existing company sports associations is available as a drop-down menu during registration. By selecting your BSG, you automatically take part in the championship for your distance.

Can't find your company sports association on the list? Have questions about the championships? Email triathlon@bsv-hamburg.de

Women's starting block

Following strong demand in recent years, we will again offer a separate start wave for women in 2027. During registration, you can register for the women's start wave free of charge, provided it is not already fully booked. Simply tick the relevant box. Please note that a booked preferred start wave and the joint start of a mixed-gender team will always be given priority when start waves are allocated.

Competition rules

The SUZUKI World Triathlon Championship Finals 2027 presented by HAMBURG WASSER will be conducted in accordance with the DTU Competition Rules. These and other regulations can be found at <https://www.triathlondeutschland.de/neu-im-triathlon/regelwerk>.

The event is governed by the competition regulations of the German Triathlon Union, including the Competition Rules, Event Organiser Regulations, Bundesliga Regulations, Anti-Doping Code and Race Officials Regulations, as well as the Legal and Procedural Regulations and the Disciplinary Regulations. By registering, every participant accepts the competition regulations and the Legal and Procedural Regulations, particularly the Anti-Doping Code, as binding. These regulations serve to ensure consistent and fair participation in the sport and cannot be challenged in court. Compliance with and acceptance of these regulations are fundamental prerequisites for participation in the event. Every athlete is responsible for the technical safety of their own equipment and must ensure that it complies with the rules.

Timekeeping

Timing is carried out by our partner race result Timing BW using a timing chip provided by the organiser. Relay teams receive only one timing chip, which is passed from the swimmer to the cyclist and from the cyclist to the runner within the transition area.

If the timing chip is lost or damaged, a fee of EUR 65.00 is payable by the participant. The timing chip must be returned when checking out the bicycle and when leaving the transition area upon presentation of your race number. The timing chip and the neoprene strap must be separated before return. The hook-and-loop strap must then be closed.

Social Media

Feel free to mention us in your posts and/or stories on your social media channels as you prepare for the SUZUKI World Triathlon Championship Finals 2027 presented by HAMBURG WASSER. You can tag the following channels: World Triathlon Hamburg Instagram ([@wtcs_hamburg](https://www.instagram.com/wtcs_hamburg/)), TriathlonD Instagram ([@triathlond_events](https://www.instagram.com/triathlond_events/)), World Triathlon Hamburg Facebook ([@hamburgtriathlon](https://www.facebook.com/hamburgtriathlon/)) and TriathlonD Facebook ([@triathlondevents](https://www.facebook.com/triathlondevents/)).
